No. 1149 CUTTACK, MONDAY, SEPTEMBER 26, 1994/ASVINA 4, 1916

REVENUE & EXCISE DEPARTMENT

NOTIFICATION

The 26th September, 1994

S.R.O. No. 827/94—Whereas the draft of the Orissa Irrigation (Amendment) Rules, 1994, was published as required by section 53 of the Orissa Irrigation Act, 1959 (Orissa Act 14 of 1959) in the extraordinary issue No. 1032 of the *Orissa Gazette*, dated the 25th August, 1994, under the Notification of the Government of Orissa in the Revenue & Excise Department No. 35861-III-W-Legis.-2/94-R., dated 10th August, 1994, as S.R.O. No. 716/94 inviting objections and suggestions from all persons likely to be affected thereby, on the expiry of a period of 30 days from the date of publication of the said Notification in the *Orissa Gazette*;

And whereas, no objection or suggestion has been received during the said stipulated period by the State Government in respect of the said draft;

Now, therefore, in exercise of the powers conferred by Section-53 of the said Act, the State Government do hereby make the following rules further to amend the Orissa Irrigation Rules, 1961, namely :—

1. (1) These Rules may be called the Orissa Irrigation (Amendment) Rules, 1994.

(2) They shall come into force from the date of their publication in the *Orissa Gazette*.

2. In the Orissa Irrigation Rules, 1961 (hereinafter referred to as the said rules) in rule 2, for clauses (d), (e) and (f), the following clauses shall be substituted, namely :—

(d) "Commercial establishment" means as defined in the Commercial Establishment Act, 1952;

(e) "Fee" means a charge levied for supply of water from Government Water Source for industrial and commercial purposes and, other uses from a Government Water Source;

(f) "Form" means a form appended to these rules;

(g) "Licence" means a permission granted by a competent authority for use of water from a Government Water Source;

(h) "Section" means a section of the Act;

(i) "Tahasildar" means a Gazetted Officer in charge of day to day revenue administration of an area includes the Sub-Collector where he is in such charge; and

(j) All words and expressions used in these rules but not defined herein shall have the same meaning as are respectively assigned to them in the Act."

3. In the said rules, after rule 23, the following rule shall be inserted, namely :—

"23-A. (1) When an industrial organisation, commercial establishment propose to draw or lift water from a Government Water Source—

(a) the Tahasildar may earmark the bed and off-shore lands of the said water source free from encumbrances and set it apart for the purpose;

- (b) the Tahasildar shall order to install a flow meter at the cost of the industrial and commercial establishment to measure the quantum of water to be drawn from the water source and the flow meter shall be installed under the supervision of an Engineer of Public Health and Engineering Organisation including Rural Water-Supply and Sanitation;
 - (c) the flow meter will be certified and checked about its accuracy from time to time by the Weights and Measures organisation of the State Government to ensure proper collection of fee;
 - (d) the Industrial Commercial establishments shall be responsible for smooth maintenance and up-keeping of the flow meter system under the general supervision of the Tahasildar.
- (2) The Tahasildar shall be the competent authority to grant licence under the provisions of the Orissa Irrigation (Amendment) Act, 1993 to an industrial or commercial or other establishment, on application in the following manner, namely :—
- (a) The application shall be filed by the industrial or commercial establishment before the Tahasildar for drawing and lifting of water from Government Water Source in Form 'S'.
 - (b) The application shall be submitted before the Tahasildar at least two months before the date from which supply of water is applied for. If the application is received less than two months before the date of supply of water and the Tahasildar is satisfied about the reasons for delay, he may also accept such application by condoning the delay.
 - (c) The application shall be submitted personally or sent by registered post. Printed application forms will be supplied to intending applicants on payment of Re. 0.50 paise at the Tahasil Office.
 - (d) On receipt of the application, the Tahasildar shall make or cause to be made such summary inquiry as he considers necessary. The report of inquiry shall as far as practicable be recorded in Form 'S-1'.
 - (e) The Tahasildar may by order allow the application or refuse to sanction supply of water from such Government source if such supply of water in his opinion would be detrimental to the environment of the locality or would affect the riparian rights of the villagers or if it is in any way detrimental to the people and agriculture at large. Application may be allowed with such conditions or restrictions as may be stated in the said order.
 - (f) The order shall be communicated in writing to the applicant. Where the application is allowed the applicant shall be asked to execute an agreement in Form 'T' within the date specified in the said order. The agreement shall be binding on both the licencing authority and the licensee and same shall be executed at the cost of the licensee. Drawing and lifting of water from Government Water Source shall be made only after execution of the agreement.
 - (g) Licence fees shall be charged and collected at the rates per unit or quantity of water drawn or lifted as specified in Form 'U'. The State Government may, in the public interest, by notification in the official gazette, revise such rate of fees as and when considered appropriate.
 - (h) The State Government may grant concession as considered necessary, to the industrial or commercial establishments as per the Industrial policy resolutions from the payment of licence fees.
 - (i) The Tahasildar shall assess the fees to be charged as per unit/quantity of water drawn or lifted and accordingly issue demand notice within the first week of every month in Form 'U'. The assessee shall make payment within the said month and on default monthly compound interest @ 2% shall be charged.
- (3) Any industrial or commercial establishment using diverting collecting or consuming water from Government Water Sources prior to the commencement of the Orissa Irrigation (Amendment) Act, 1993 shall be treated as a licensee under the said Act and shall be liable to pay the licence fees specified in these rules for a period of three months from the date of commencement of the said Act within which time such or industrial commercial establishment shall have to file an application in Form 'S' and obtain a fresh licence.
- (4) When a person is reasonably suspected of having committed an offence by unauthorised use of water from a Government Water Source punishable under the Act, the Tahasildar may, after making an inquiry forward the case to the court of the competent jurisdiction.
- (5) (a) The State Government may in any case or class of cases grant total or partial exemption from payment of licence fee for any specified period in the interest of industrial or commercial developments in the State.
- (b) An application for total or partial exemption of licence fees shall be made to the Tahasildar having jurisdiction.
- (c) The Tahasildar on receipt of the application, may after making such inquiry as he considers necessary furnish a report along with the application to the Collector of the district. While forwarding the report, the Tahasildar shall specifically state the justification, if any, for granting any exemption or the extent to which such exemption may be granted. The Collector after recording his opinion on the application shall forward the case to the State Government for taking final decision in the matter.

UNDERTAKING

I, the undersigned require water for the purpose noted above and agree to pay the required licence fee for it at the rate specified for the purpose. I understand that water will be issued at such times and in such quantities as the Tahasildar may by order direct and that any sum due from me shall be recoverable as arrears of land revenue. I also know that no suit for compensation lies either against the State Government nor its officers in connection with my application for supply of water and any order passed thereon.

The water so taken for use will not be in any way detrimental to the interest of general public and their riparian rights and to the environment.

I agree to abide by the conditions that may be imposed by the Tahasildar regarding drawal and use of water from Government source.

Signature/Thumb Impression
of the applicant.

8. Date of submission of application

REPORT OF THE ENQUIRING OFFICER

1. Whether the supply of water will not be in any way detrimental to the interest of villagers, riparian rights and environment.....
2. Whether the source capable of supply of volume of water required by the applicant.....
3. If the source is not capable of supply of required volume of water, whether the same can be met from some other points of the same Government source.....

Signature of the Enquiring Officer

FORM 'T'

[See Rule 23-A (2) (f)]

AGREEMENT

THIS AGREEMENT IS made on the day of Nineteen hundred Ninety-four BETWEEN Shri resident of village, P.S., district by profession (hereinafter called the " Applicant") of the first part AND (1) Shri Son of P.S., district by profession and (2) Shri Son of P.S., district (hereinafter referred to as the " Sureties") of the second part AND the Governor of Orissa which expression unless repugnant to the context, shall include his successors and a sign (hereinafter called " the Government") of the third part.

WHEREAS the applicant has made an application for supply of water from source for the period as mentioned in the Schedule ;

AND WHEREAS the sureties have agreed to stand surety for payment of rates charged for such supply in the manner hereinafter appearing and the Government has agreed to supply the water for the purpose specified in the Schedule.

SCHEDULE

Purpose for which water will be supplied	Volume of water, if any	Period of supply	The place of which it will be supplied
1	2	3	4

NOW THIS AGREEMENT WITNESSETH as follows :—

1. In pursuance of the said agreement and in consideration of supply of water to be made to the applicant, the applicant and the sureties hereby jointly and severally covenant with the Government as follows :—

- (a) The applicant shall pay Rs. at the rate of Rs.
to per on or before
- (b) The applicant shall make suitable arrangement to take the water from the Government Water Source at which it will be supplied ;
- (c) The applicant shall not use the water supplied to him for any purpose other than that which is specified in the Schedule

2. If the sum aforesaid or any part thereof, is not paid on or before the date specified in this agreement it shall become payable at once (unless the Government sanctions for special reason an extension of time) and the applicant and the sureties shall be liable jointly and severally to pay the same with interest at the rate of 2 per cent per mensem from the date of default.

3. IT IS HEREBY EXPRESSLY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO that all amount due to the Government under the terms of these presents shall if not paid in time, be recoverable as a public demand under the Orissa Public Demands Recovery Act, 1962 and shall bear interest at the rate of 2 per cent per mensem from the date such payments fall due up to the date of payment.

4. (i) The applicant shall be liable for Criminal and Civil action if by drawal of water rights of any third party are affected and shall indemnify the Government against all claims for damage preferred by person or persons affected by the permission granted.

(ii) The applicant shall not without prior permission in writing from the Government lay pipe line on Government or Communal lands. If the pipe lines have to pass through Government lands permission of the Government for this shall be taken separately which may be granted subject to the protection of rights of Government or Community, as the case may be.

(iii) The applicant shall not draw or lift water more than the quantity mentioned in the requisition or order and not exceeding the volume mentioned in the Schedule except with the prior approval of the Government.

(iv) The permission granted shall not be deemed to exempt the applicant from liability to payment of water charges lawfully assessable.

(v) Government reserves the right to suspend or cancel the permission in case of violation of any of the conditions.

5. The licence fee shall be charged on the applicant at the rate of Rs. 200 per 1,00,000 (Two lakh) gallons water so drawn, or lifted by him or at such rates as may be prescribed by the Government from time to time which shall be binding on the applicant. In case of excess use of water by the applicant a penalty shall be levied having regard to the volume of water used and the benefit produced by such use at a rate not exceeding six times the rate so specified.

6. The applicant at his own cost install a meter/gauge for measurement of water drawn or lifted by him from the natural source and an intimation to this effect shall be forwarded to the Tahasildar concerned for assessment of water rate on such drawal and lifting. The Tahasildar shall visit the location of drawal or lifting of water, verify the quantities of water drawn or lifted by the applicant and ensure such control as may be necessary for administering the drawal or lifting of water.

7. The applicant shall construct full proof effluent discharge plant before commissioning of the project. For proper test of such effluent there shall be computerised testing system and the applicant shall give details of effluent discharged in the natural source (in river and nala).

8. The applicant and the sureties shall be jointly and severally liable for the payment of Government dues on account of drawal and lifting of water under this agreement and for penalty for breach of any of the provisions of the Orissa Irrigation Act, 1959 and the Rules made thereunder.

In witness whereof the parties hereto have put their hands and seals the day and year first above written.

No. 133 CUTTACK, WEDNESDAY, FEBRUARY 2, 1994/MAGHA 13, 1915

LAW DEPARTMENT

NOTIFICATION

The 2nd February, 1994

No. 1769-Legis.—The following Act of the Orissa Legislative Assembly having been assented to by the Governor on the 25th January, 1994 is hereby published for general information.

ORISSA ACT 3 OF 1994

THE ORISSA IRRIGATION (AMENDMENT) ACT, 1993

AN ACT FURTHER TO AMEND THE ORISSA IRRIGATION ACT, 1959.

Enacted by the Legislature of the State of Orissa in the Forty-fourth Year of the Republic of India as follows:—

Short title.

1. This Act may be called the Orissa Irrigation (Amendment) Act, 1993.

Amendment of long title.

2. In the Orissa Irrigation Act, 1959 (hereinafter referred to as the principal Act), in the long title, the words "AND TO PROVIDE FOR THE REGULATION OF USE OF WATER FROM GOVERNMENT SOURCE" shall be added at the end.

Orissa Act 14 of 1959.

Amendment of preamble.

3. In the principal Act, in the first paragraph of the preamble, the words "and to provide for the regulation of use of water from Government source" shall be added at the end.

Amendment of section 4.

4. In the principal Act, in section 4, after clause (b), the following clause shall be inserted, namely:—

(b-a) "Government water source" means any water source created naturally or otherwise by collection or deposit of water at a fixed place, any sub-surface water or water in a State of running such as rivers, nullas, springs, streams and the like, which is other than an Irrigation Work and is the property of the Government;

Insertion of new section 20-A.

Regulation and use of water from Government water source.

5. In the principal Act, after section 20, the following section shall be inserted, namely:—

"20-A. (1) The State Government may, in the public interest, regulate the use, diversion, collection or consumption of water, on Government water source for industrial and commercial purposes other than agriculture.

(2) On and after commencement of the Orissa Irrigation (Amendment) Act, 1993, no person shall use, divert, collect or consume water from Government water source for any industry or commercial establishment except in accordance with a licence granted under this Act.

(3) The licence referred to in sub-section (1) shall be subject to such terms conditions, and shall be obtained from such authority, in such manner, and subject to payment of such fees, as may be prescribed.

(4) Notwithstanding anything contained in sub-section (1) or in any subsisting contract, any person using, diverting, collecting or consuming water from Government water source for any industry or commercial establishment immediately before the commencement of the Orissa Irrigation (Amendment) Act, 1993 may continue to do so and shall be deemed to have been granted a licence under this Act—

- (i) for a period of three months from the date of such commencement; or
- (ii) if an application for the required licence is duly made in the prescribed manner to the appropriate authority within the period specified in clause (i), till the disposal of such application.

(5) Any person who uses, diverts, collects or consumes water from Government water source in contravention of the provisions of this section, shall on conviction, be punishable with imprisonment for a term which may extend to three months, or with fine which may extend to twenty-five thousand rupees, or with both and where any such person after being convicted under this sub-section for the offence continues to commit the offence or commits it for the second or any subsequent time he shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to fifty thousand rupees, or with both.

(6) (a) Where an offence under this Act has been committed by a Company, every person who, at the time the offence was committed, was in charge of, and was responsible to, the Company for the conduct of the business of the Company, as well as the Company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly.

Provided that nothing contained in this sub-section shall render any such person liable to any punishment, if he proves that the offence was committed without his knowledge or that he had exercised all due diligence to prevent the commission of such offence.

(b) Notwithstanding anything contained in sub-section (1), where an offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of, any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

(7) The rules that may be made for the purposes of this section may provide that the State Government may, in any case or class of cases, exempt in part or in full the payment of the required licence fee for any specified period in the interest of industrial and commercial developments in the State.

Explanation:—For the purposes of this section,—

(a) "Commercial establishment" shall have the same meaning as defined in the Orissa Shops and Commercial Establishment Act, 1956;

(b) "Company" means a body corporate and includes a firm or other association of individuals;

(c) "Director" in relation to a firm, means a partner in the firm; and

(d) "Industry" shall have the same meaning as defined in the Industrial Disputes Act, 1947.
